Gasoline Prices, a Source of Pain Last Year, Have Come Way Down

Gasoline prices have fallen compared to the previous year, providing relief to American consumers during the Memorial Day weekend. Factors such as ample global oil supplies, steady demand, and the rise of electric vehicles contribute to the decline. Regional variations and seasonal factors impact prices, but overall, consumers are expected to save billions on fuel expenses.

Southampton 4-4 Liverpool: Jurgen Klopp says Reds' will be contenders again'

Liverpool manager Jurgen Klopp remains optimistic about the team's future, believing they will be contenders again despite a disappointing season. The Reds finished fifth and will not be in the Champions League next season. In their final match, they drew 4-4 with Southampton, with Diogo Jota scoring twice. Liverpool showed improvement in their last 11 games.

Rishi Sunak warned over possible UK recession in 2024

Chancellor Rishi Sunak has issued a warning, citing potential economic challenges ahead. Factors such as the impact of the COVID-19 pandemic, uncertainties surrounding Brexit, and global economic conditions are mentioned as contributing to the potential downturn. Sunak's caution underscores the need for proactive measures and economic planning to mitigate the risk of a recession and safeguard the UK's financial stability.

ChatGPT-maker U-turns on threat to leave EU over AI law

OpenAI CEO Sam Altman initially threatened to leave Europe due to concerns about upcoming AI regulations but later backtracked, stating that the company has no plans to leave. The proposed legislation could require generative AI companies to disclose copyrighted material used to train their systems. Altman met with UK Prime Minister Rishi Sunak and AI industry leaders to discuss the risks and regulations surrounding AI.

Erdogan declared victor in presidential election

Mr Erdogan won the second round of the Turkish presidential election with 52.14% of the vote against 47.86% for his rival Kemal Kılıçdaroğlu. Prime Minister Rishi Sunak has sent his congratulations to Erdoğan on his victory. In a tweet, he said he looked forward to continuing collaborations on issues including trade and shared security threats.
